Pamper Your Pooch While Visiting Ste. Anne's Spa

New Partnership with Dog Spa Creates Peace of Mind for Spa-Goers

GRAFTON – For many planning a spa getaway, figuring out what to do with the dog while on vacation can be a stress in itself. Thanks to a new partnership between Ste. Anne's Spa and Überdog Ranch & Spa, spa-goers can now rest easy, knowing their dog will also be equally as well pampered as they are.

Guests of Ste. Anne's can pre-arrange to have their dog picked up from Ste. Anne's and taken to nearby Überdog Ranch & Spa to enjoy home-like, cage-free boarding in the country. Geared exclusively for dogs, the Überdog Ranch is located on a 65-acre farm and offers its canine guests unlimited exercise, fresh air, freedom, the company of other friendly dogs coupled with individual attention, hugs, and lots of pampering.

There is also a bright, cheery doggy Bunkhouse that comes complete with slip-covered sofas for the dogs to lounge on, television, carpets, soft music, candles, halogen lighting, lots of natural light— designed to create a “just like home” atmosphere for pampered puppies.

Starting from \$65, the pet care package includes return shuttle service for dogs to and from Ste. Anne's and overnight accommodation at Überdog Ranch & Spa, located just 15 minutes away in neighbouring Baltimore, Ontario. Additional nights are only \$40 per dog. Special diets and medications are administered without any extra charge.

“The challenge of finding decent pet care can really add to the pressures facing our guests when they need to get away,” says Jim Corcoran, owner of Ste. Anne's Spa. “With this all-inclusive pet care spa package, our guests can rest assured that both they and their pets will be well cared-for and reinvigorated when they reunite.”

Ste. Anne's Spa is located 75 minutes east of Toronto, near Grafton, Ontario. To inquire about rates and availability, please call 1-888-346-6772.
