

Elemental Nature

INFINITY

Sense - Infinity is linked to sense of SOUND.

Season - Infinity is linked to all seasons, but mostly to Spring as it is a renewing cycle.

Physiology - Infinity is responsible for expansion. This includes the expansion of the lungs during inhalation and exhalation, the expansion of the arteries, etc.

Mind: Infinity has open (expansive) mind and thinks quickly and often.

Skin condition - Normal to Dry Skin/Combination: Infinity natures have supple, radiant skin when balanced. When out of balance, they have occasional dullness and spot dryness leading to combination skin. They generally have a thin skin texture.

Hair type: Fine hair with occasional dry ends.

Body type: Usually have a petite frame.

Balanced state: Infinity is warm, outgoing, energetic, and ambitious.

Imbalanced state: Tendency toward nervousness and a lack of focus.
