Grafton, Ont., - May 12, 2009 -

Ste. Anne's Spa has resurrected a day spa package from the early 90's called Diva For A Day. With the company's focus on relieving the day-to-day stresses of their guests lives, this hugely successful day spa getaway takes into account that due to the unstable economy, stress levels are up while finances may not be.

Ste. Anne's Spa is Ontario's oldest and largest destination spa. The all-encompassing wellness experience that is offered each day on the 500 acre estate promises to bring one's stress levels down to a more manageable level. Ste. Anne's greatest challenge in this economy is that their guests don't want to leave!

"We know that reducing stress is not an expendable option for most. It is a necessity. So we want to ensure that in these challenging times, we are still accessible to those who need us." says Jim Corcoran, Owner.

Diva for a Day includes a full day at Ste. Anne's Spa, a 3-course lunch, afternoon tea buffet, a \$65 spa allowance and complete use of the extensive facilities including hot tubs, steam rooms, lounge areas, indoor & outdoor spring-fed pools and walking trails on 500 acres of rolling countryside - all for only \$99.

Ste. Anne's Spa has been voted Canada's Favourite Spa by Manhattan based SpaFinder Magazine Readers' Choice Awards, 3 years running. It has been offering a range of day spa and overnight experiences to spa goers for more than 17 years.
